

Багдасарян Овик Варданович

Научная степень: к.ф.-м.н.

Образование: Высшее, Ереванский Государственный Университет

Опыт работы: 30 лет

Специализация: Радиофизика и Электроника

Читаемые дисциплины: Оптические телекоммуникационные ситемы,

Системы оптической связи

Круг научных интересов – электродинамика, оптическая связь, фотоника, нано-оптика, радиосвязь

Повышение квалификации - ст.н.с., профессор

Награды, гранты
